

13 September 2017

Dear Grade 6 to 11 Parents,

TEXTBOOKS 2018

We have reviewed the process of purchasing textbooks extensively and opted to continue with a bulk order process. In this way we can ensure that all learners have the relevant textbooks from the beginning of the year and, in addition, we can negotiate lower prices. This will lessen the monetary demands on you as parents.

Furthermore, most of the textbooks have remained the same for 2018 from 2017. The table below has been added for your convenience, especially for the parents/learners who would like to purchase second hand books from current learners. The table below indicate which textbooks are new to 2018 and which have been discontinued.

Books which have been discontinued	Books that have been added to the list for 2018
Grade 12 Novel: Americanah	Grade 12 Novel: Washington Square
Grade 10 Afrikaans: Vorbereiding vir Vraestelle Graad 10 Werkboek	Woema Graad 10
	Graad 10 Afrikaans Reader: Leeus met letsels
Grade 8 and 9:Goed, Beter Afrikaans Eerste Addisionele taal.	Woema Graad 8 and Woema Graad 9
Grade 8 Platinum Mathematics:	Grade 8 Clever Keeping Mathematics Simple
Grade 7: Metamorfose	Woema Graad 7

Important notices

- **The English Handbook and Study Guide** is listed on the order form for every grade. This book must be purchased by all learners from Grade 7 to Grade 11 if they don't own a copy already as yet. This study guide is used for their whole High School career.
- Please see the attached textbook/workbook list. Please take note that there are **some textbooks can only be ordered in bulk** and therefore can't be bought somewhere else. This has been clearly marked.

Parents will be invoiced for the textbooks/workbooks on their November school account. The textbooks and workbooks will be available to the learners at the start of the 2018 school year (possibly earlier - we will inform you timeously).

Reply slips must be returned to school by **Wednesday 20 September 2017**. Please take note that **no late orders** will be accepted. Parents will be advised to source the applicable books themselves after 20 September 2017. The ordering of textbooks have moved earlier, so as to ensure that learners have their full scope of textbooks at the start of 2018.

Kind regards

KEN LANGLEY
